TUERCAS HEXAGONALES REFORZADAS

- Fabricado en latón. Base hexagonal. Rosca NPT según ASA B.2.1. y Métrica según ISO 261. Las tuercas de 2" y mayores son de base redonda en vez de hexagonal.

REINFORCED HEXAGONAL NUTS

- Manufactured in brass. Hexagonal base. Thread NPT according to ASA B.2.1. and Metric according to ISO 261. The nuts of 2" from now on are with round base instead of hexagonal.

Tuercas reforzadas con P.A.T.
Reinforced nuts with ground
